## FROM FR. SIMON

I continue to be humbled and honored to serve as your pastor, proud of what our parish has accomplished in the past year. When I was appointed administrator about three years ago, I realized that I had the responsibility not only to be a man of faith, prayer and service in the midst of God's people but also to be a good steward of the resources and offerings entrusted to this parish. Since then, but especially in the last year and a half that I have been pastor, as you will read in the financial report, we have undertaken many repair projects to preserve and protect what has been handed down to us. I am indebted to the many experienced, dedicated and knowledgeable members of the Finance Council and parish staff who have advised me on finances and facilities management.

Over this past year we accomplished much. Most notably we completed repairs to the altar in the east transept, we are nearing the completion of major repairs to the bell tower and we have completed phases I and II of our Capital Campaign *From Generation to Generation*. None of this could be done if it were not for the generosity of our parishioners as well as the commitment of our incredibly dedicated staff.

Last Sunday, we celebrated 90 years as a faith community in our part of Chicago. We rejoiced as we gathered around the altar to be grateful to the past, mindful of the present, and hopeful and committed to the future. As we look forward to continually strengthening our parish as we look forward to our centenary celebrations, I am mindful that our Sunday collections have slightly improved over the last year to help us meet our operating costs. That said, more needs to be done in order to replenish our endowments from which we borrowed to finish the needed repairs to the basilica ceiling and bell tower. An increase in our financial stewardship by a minimum of 25% each week will help us reach our goal to replenish our savings by \$5 million over the next ten years. We owe it to ourselves to do this!

Being pastor is not however just about financial and facilities management, it's about furthering our parish's mission which is defined by our mission statement: to be a community that is 'committed to Christ, sharing God's gifts and building the Church together through the ministries of word, worship and service'.

Much of what we have been able to accomplish is due in large part to the hundreds of volunteers who give so generously of their time, talent and treasure. Their enthusiasm, commitment and faith inspire me daily. Our work however is far from being finished. Each of us is called to continually confirm our faith in Jesus Christ, to be open to his spirit as he guides us as individuals and as a parish, to take the initiative to share our faith with our friends and neighbors and to reach out in service to others. The more we stand together in faith the stronger we are and the more that the Lord can do through us. I hope you will find the following report informative. The members of the Finance Council and I welcome any comments and questions that you may have.

Blessings!!

## Financial Report - Queen of All Saints - For Last Two Fiscal Years Ending June 30

All members of the Church are called to service as disciples of Christ. Charity begins at home, then to the community, the parish, at work and in the world. Queen of All Saints parish is proud to offer over 40 different ministries to our parishioners and our community.

The following pages describe how we manage our financial resources, an important part of our ability to support these ministries. It is also a testament to the stewardship shown by our parishioners, a grateful return of the gifts they have been given—in the service of others.

### Queen of All Saints Mission Statement

**The Community of Queen of All Saints is committed to Christ,  
sharing God's gifts and building the Church together  
through word, worship and service.**

This Annual Report provides you with a basic overview and accountability of how your generosity of time, talent and treasure is a living witness to our Mission. Please keep in mind that numbers tell only part of our story. Our faith cannot be quantified and the call to discipleship and ministry lies in the hearts of God's holy people. Taken individually, each activity our parish sponsors is significant. Collectively, we work together to grow in faith, hope and love.

## Financial Report - Queen of All Saints Parish - For Last Two Fiscal Years Ending June 30

- Parish revenues were up 3.0% for FY 18/19. Sunday and Holy Day collections were up 2.0%, while Christmas and Easter were up 1.7% and 1.0%, respectively. UPP was up 11.1%.
- Parish expenses remained under control, with a 2.8 increase, aided by reductions in school staff expense due to retirements and other adjustments, despite normal increases in salaries and health benefit costs.
- The basilica ceiling and bell tower projects represented highly unexpected expenditures, discussed elsewhere in this report. Payments for these projects and certain other basilica repairs were made from parish savings, which must be replenished in future years. Increased repairs and maintenance are expected with any aging physical plant, but we believe our planned schedule for those items is prudent and will keep our buildings safe and attractive for the long run on a cost effective basis.

\* Additional funds in the amount of \$62,000 were collected during FY 18/19 at the May 2019 UPP to fund certain technology and security features for the early education portion of the Benedict Center project, which was completed and made available for use in August 2019 as part of the parish capital campaign. To avoid distortions in financial reporting, the amount collected at the May 2019 UPP is not included in the FY 18/19 operating revenue and the corresponding capital expenditures will not be included in FY 19/20 expenses.

\* Parish revenues and expenses do not include the Third Sunday Collections for Sharing Parishes and other second collections, which are directly paid out as intended by the donors. In contrast to prior years the parish did not receive a rebate from the Annual Catholic Appeal, due to an increase in the goal set for the parish by the Archdiocese and a reduction in contributions to the Appeal from parishioners.

## Financial Report - Queen of All Saints School - For Last Two Fiscal Years Ending June 30

- School enrollment decreased significantly during the year, primarily due to the closing of the Benedict Center for construction of the new early education program space, which was an impediment to full enrollment. Nevertheless, enrollment continued to be strong, with 608 students enrolled for the year, preschool through eighth grade. Largely due to the enrollment difficulties tuition revenue decreased 5.5%.
- Tuition and fees covered 90% of direct school expenses, which shows the vitality of the school and the commitment of the parents. With the support of both parents and parish our school was able to spend \$137,000 on technological infrastructure, devices, applications and training, all to provide the best possible educational experience for our children.
- As is the case with parish expenses, repairs and maintenance continue to rise. We will continue to keep our school plant safe and suitable for an optimal learning experience.

\*The Queen of All Saints School Endowment was established in 1991 to provide an additional source of revenue for our parish school, supplementing tuition paid by parents and a direct subsidy from parish operations, if necessary. During FY 18/19 the school received \$300,000 from the endowment and \$64,328 from parish operations.

\*\*Additionally, certain expenses paid by the parish indirectly benefit the school, such as common area maintenance and improvements. A full allocation of these school-related expenses is estimated at \$340,000 for FY 18/19.

## A Message From Our Parish Finance Council

We are pleased to send you the operating financial statement of our parish for the period July 1, 2018 to June 30, 2019. We encourage you to read this closely, but here are some of the highlights as we see them:

### We have much to be proud of

- Our parish continues to provide an ever-increasing number of services and ministries to our parishioners. This is the future of a healthy parish, but it requires an increasing number of lay volunteers and associated expenses. We have been in the fortunate position of having the resources, especially the many dedicated people who devote their time and energies to their neighbors, fellow parishioners and to others outside our parish.
- Our parish operating expenses continue to be under strict control, both church and school, with staffing being maintained at the right levels and materials, supplies and utilities being purchased at the right cost and at the right times.
- Our school remains very strong, with 608 students during the period despite difficult enrollment issues resulting from the Benedict Center construction project affecting our early childhood education program. Parents provide 90% of the direct operating costs of the school, which clearly demonstrates their commitment to a quality Catholic education for their children.

### But we have big challenges

- On the other hand, maintenance and repairs will continue to grow as our buildings age. Just as our own homes require increased maintenance costs over time, so too will our beautiful and valued parish properties, especially our basilica.
- More significantly, our parish Sunday collections have remained relatively level for several years. Perhaps this might be sufficient for some parishes, but it is not enough for us. Our future depends on doing more for ourselves and that will demand more financial resources.
- Equally as important is the matter of our basilica ceiling and bell tower, which were capital expenses not reflected in the operating statement. We have mentioned many times the unfortunate and sudden need to replace our entire ceiling last year and to make extensive repairs to the bell tower this year. Due to the prudent foresight of those who came before us we were in the fortunate position of being able to fund the massive costs of our basilica repair projects from our savings. However, prudence also demands that our savings must be replenished in the coming years.

**So, what must we do?** This means we must increase our Sunday collections **immediately and substantially, in order to replenish our savings by \$5 million over the next 10 years.** This will require a minimum increase of 25% over what we receive today.

**What do we ask for?** We know that we have many faithful supporters, who provide for their church on a regular basis. We are extraordinarily grateful for their efforts. Without them we would not be able to be where we are today.

*However, we have suggested an increase in our Sunday collections over the last few years, but the results have been much less than needed. At this time, we are forced to be much more vocal. We have no choice but to step up our Sunday collection efforts forcefully and we ask that you consider an immediate increase in your Sunday offertory of 25%, and hopefully more if you can afford it. We know that many of our parishioners stretch themselves to support our parish, which is why our average Sunday envelope contains about \$35 per week. Others certainly have the ability to support our parish beyond that average and should take action now.*

We know that our fellow parishioners always do the right thing when they are given the facts, and that is why we confidently lay before you the situation we now face.

As always, if you have any questions about our financial condition or the various ways you can provide an increase in your support, please contact our business office at 773.736.6060.

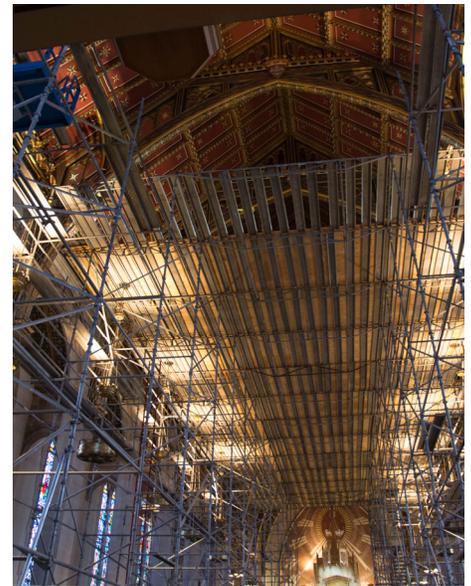

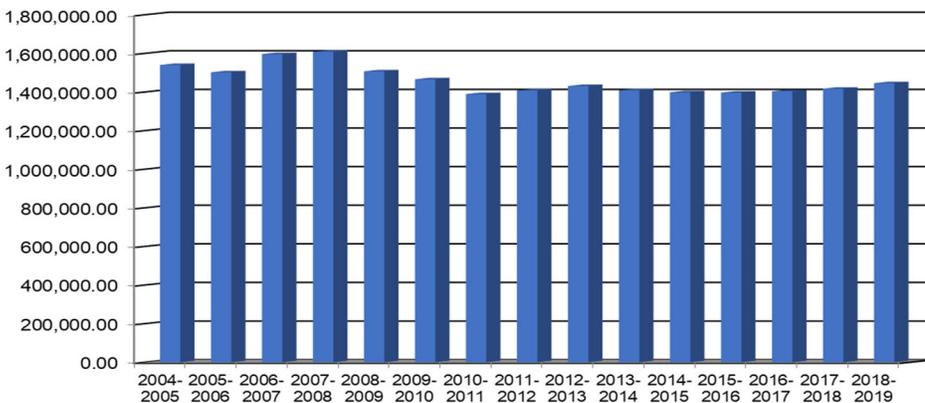

## The Basilica Ceiling and Bell Tower, and Our Sunday Collections

We have talked a lot about our ceiling and bell tower projects over the last two years—that very sudden circumstances forced us to act promptly and prudently to replace the entire ceiling of the Basilica, which dated back to the original construction of the church building, and do a very extensive repair and reconstruction of the bell tower. We have also talked about how we were in the fortunate position to be able to fund the entire upfront cost of these critical projects from our savings, due to the foresight and generosity of those who came before us.

The cost of these projects and other basilica repairs is enormous. That's why we have a long-range objective to replenish \$5 million back to our savings.

***The only way we can do that is to significantly increase our Sunday collections for the foreseeable future.***

Following a decrease at the last national recession, our Sunday collections have been stable for a number of years. That's good, but not good enough for a parish like ours.

### What we can do today?

Please take the time to consider the role our parish plays in our lives. Read the list of ministries our parish now supports. Ask yourself how many of those ministries have touched your own life.

Consider how important it is to have a broad array of ministries and activities that hold together our parish family.

Consider the sacrifices of those who came before us to build the magnificent basilica in which we worship. Then consider how you can help, and if you can increase your help.

***Your parish needs your attendance at weekly Mass, your volunteer help where your talents are most useful, and your financial assistance on a planned and proportionate basis.***

### How electronic giving can help

You have certainly heard this message before. Our parish, like an increasing number of other parishes, is hoping to enlist your help in moving to electronic giving. We pay our household bills electronically—why not support our parish that way? *Sign up for GiveCentral. It's safe, convenient and dependable! # Veterans Masses

**Sunday, November 10 at 11 am**

Veterans of military service, their families and family members of soldiers currently serving are invited to a special Mass. Additionally, you are invited to wear your uniform, if possible. There will be a special blessing at the end of the Mass. If any veterans and/or families would like to participate in the liturgy by walking in the opening procession, carrying up the gifts or proclaiming the Word, please contact Paul Scavone at the rectory.

**Thanksgiving  
Thursday, November 28 10am**

Our Thanksgiving celebration will take place on Thanksgiving Day. In addition to offering thanks and praise to God for all with which we are blessed, at that Mass we will pray in a special way for the members of our community currently serving in the armed forces, first responders and their families. In the midst of the holiday season, it is important to give gratitude for their great sacrifice, service, dedication to freedom throughout the world, and their safe and swift homecoming. Anyone in the military, veterans, and their families who would like to participate in the Mass, please contact Paul Scavone at the rectory (773-736-6060, ext. 225). If you are unable to attend the 10am Mass, there is also an 8am Mass on Thanksgiving morning.

### *Becoming An Everyday Contemplative*

**Presented by Judith Valente**

How can we become more mindful and reflective amid noise and distractions of contemporary life? We will explore some of the simple practices from our great, but often overlooked Catholic monastic tradition, and discover how we can incorporate these practices into our daily lives in order to see “the real behind the real” and “the story behind the story” of our lives. Through individual reflection and discussion in small groups, we will leave with a new vision of ourselves as “everyday contemplatives.”

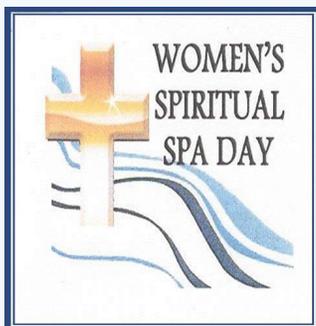

**Judith Valente** is the author of four spirituality titles, including most recently *How To Live: What the Rule of St. Benedict Teaches Us About Happiness, Meaning and Community*. She is the co-author of *The Art of Pausing: Meditations for the Overworked and Overwhelmed* and of *Twenty Poems to Nourish Your Soul*. She has also written two collections of poetry. She worked previously for PBS-TV, Chicago Public Radio, The Wall Street Journal and The Washington Post. She contributes articles to U.S. Catholic magazine and National Catholic Reporter. Her easily accessible, yet poetic style of presenting has made her a popular speaker and retreat and workshop leader across the country. Her other books include *Atchison Blue: A Search for Silence, A Spiritual Home and A Living Faith*, the memoir of her time at Mount St. Scholastica Monastery in Atchison, Kansas. She is an Oblate (lay associate) of Mount St. Scholastica. She currently lives in Normal, IL and is married to former Illinois Circuit Court Judge Charles Reynard.

# *From Maintenance to Mission*

**Queen of All Saints Formational Conference**

**Saturday, November 9, 11am to 12:30pm**

**In the School Cafeteria**

How do we move from taking care of our facilities and all of the maintenance work on our campus to a parish serving the mission of the Church, where all feel welcome? **Elizabeth White** from the Office of Evangelization and Missionary Discipleship will present and lead a discussion to help us begin to make that move.

## *Culture of Evangelization*

Evangelization happens in the way the faithful live God's love everyday through support for one another, and is, essentially, the key moment of welcoming and sharing who Christ is. To evangelize also means to bring the Good News of Jesus Christ to every human situation. As Christians, we encounter Jesus and transform the lives of others through service and sharing the faith.

**All parishioners are invited to this special event.  
All liturgical ministers and all major council and board  
members are especially encouraged to attend.**

**Elizabeth Jennings White** is the Director of the Office of Evangelization and Missionary Discipleship for the Archdiocese of Chicago. Previously she served as the Vice President of Advancement and the Director of Development for Cristo Rey Jesuit High School and prior to that was the Director of Marketing and Communications for Catholic Theological Union, both in Chicago.

"I love to work with a team and together create something new and innovative. For years I have been able to work for organizations who have a clear mission and are forward-thinking. Developing projects and tools, managing talented teams, and focusing on how to improve and grow are my strengths. Currently, I serve the Archdiocese of Chicago in a role dedicated to helping parishes be filled with men and women who intentionally share their faith stories of how God is active in their lives so others can see God working in their own lives."

## Stewardship — It's Our Turn

Thanks to the ongoing generosity of our parishioners through our Sunday, Christmas and Easter collections, and our one and only parish-wide fundraiser, the United Parish Program, our parish operations have been able to break even in recent years.

This is good, but not nearly good enough.

On the capital side we encountered a series of major expenses in recent years, including the replacement of the Basilica ceiling and extensive repairs to the Basilica bell tower, as well as a host of other water-related repairs which tend to afflict buildings the same age as ours.

Fortunately, we were able to pay for those repair expenses by drawing on our savings, which were prudently set aside by those who came before us for precisely that type of unforeseen problem. We were able to begin repairs promptly before our problems got worse.

The good news is that we've addressed our immediate problems. The challenging news is that we are left with a serious hole in our savings. Now it's time to address that problem.

We need to move from a mere break-even operation to instead generate at least \$5 million total surplus over the next 10 years to replenish our savings and restore our parish's financial position.

*This will require a 25% increase in our Sunday collections.*

We know that it took a lot of hard work and a lot of very generous giving to fund our magnificent parish buildings from people, just like us, who sat in the same pews we sit in today.

Now it's our turn.

## Today's Readings

*"But Zacchaeus stood there and said to the Lord, 'Behold, half of my possessions, Lord, I will give to the poor, and if I extorted anything I shall repay it four times over.'"*  
*(Luke 19:8)*

We are all called to gratefully give back to the Lord in proportion to the blessings we have been given. This means everyone isn't called to give the same amount, but is called to give equal sacrifice. No amount is too small or insignificant! Open your heart. How is God calling you to be more generous with your financial resources and possessions?

## The Sacrament of Baptism

Queen of All Saints rejoices in the incorporation of new members into the Body of Christ through the Sacrament of Baptism. If you are a registered parishioner, please come to the rectory during business hours to schedule your child's baptism. If it is not possible for you to come to the rectory, please call the rectory to make arrangements. The Sacrament of Baptism for infants is celebrated two or three Sundays of the month, depending on the time of year, at 1:30pm. Please call the rectory for the exact schedule. A Baptismal Preparation class for the parents is required. They are held once a month on alternate Tuesday and Thursday evenings, and must also be scheduled in advance. If an adult or a school age child seeks baptism, special arrangements should be made with one of the priests.

## The Sacrament of Matrimony

Queen of All Saints helps couples prepare not only for their wedding day, but also for the lifelong commitment of living a Christian marriage. Parishioners of Queen of All Saints Basilica who are baptized and free to marry in the Catholic Church may celebrate their marriage in Queen of All Saints Basilica. Couples from Queen of All Saints seeking marriage in Queen of All Saints Basilica should contact one of the parish priests at least six months prior to their intended date of marriage. The couple must meet with one of the priests before the date for the marriage can be confirmed.

## Sacrament of the Anointing of the Sick

The sacrament of the Anointing of the Sick is not just a sacrament for those who are at the point of death. As soon as one of the faithful begins to be in danger of death from sickness or old age, the fitting time for him or her to receive this sacrament has certainly already arrived. Therefore, any member of the faithful who is seriously ill because of sickness or advanced age may properly receive this sacrament.
